TREASURER -HANIF REHMATULLAH

PRESIDENT-HASAN BUNYAD

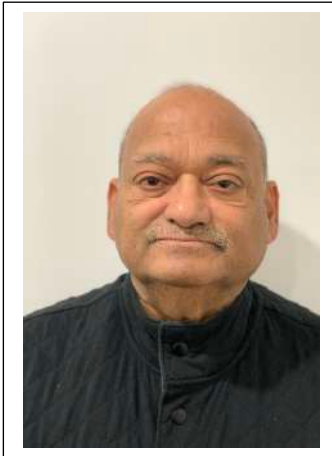

SECRETARY-AHSAN ALI KHAN

DIRECTOR-MOHAMMED IRFAN

**PRESIDENT message - AACEI Pakistan Section President, 2021-2022**

I, Syed H. Bunyad, as a President of AACEI Pakistan Section 2021- 2022 program year would like to say, “Thank you,” to the members of AACEI PAK SECTION for assigning me, the opportunity to serve the Association in this role. I appreciate and admire the time, talent, and energy given by our devoted volunteer members, and I am grateful for AACEI PAK SECTION’s dedicated staff for as we have newly started out the chapter of AACEI in PAKISTAN in 2018, although this is tough phase to compose and promote the chapter in Pakistan, where almost nobody recognize the Association. I will try to provide vision and direction for the Association; protects those values, services, and processes that form the core of our mission; and allows for creativity, flexibility, and new ideas on how to protect, promote, and enhance AACEI PAK SECTION.

Over the past two years, the ongoing COVID-19 pandemic has brought many challenges and had a worst impact on our professional lives, on the industries and of course on our newly started the Pakistan Section Association.

We are working on spreading the awareness of AACE International in Pakistan by conducting Seminars in Colleges and Universities, planning to arrange Skills & Knowledge workshops throughout the year. We are trying to make collaborations with other organizations and institutes for promoting the AACEI PAKISTAN SECTION.

Thanks & Regards,

**Syed H. Bunyad, CCP**

FARRUKH SIDDIQUI WITH DR RIZWAN FAROUQI AT NED ENGINEERING UNIVERSITY

BOARD MEETING –LTO R- FARRUKH SIDDIQUI, HANIF REHMATULLAH, HASAN BUNYAD

## HIGHLIGHTS OF ACTIVITIES OF PAST PRESIDENT PAST PRESIDENT -HANIF REHMATULLAH

A campaign to introduce AACE PAKISTAN SECTION was made through emails and sent more than 150 companies in Pakistan comprising all sectors, engineering, contractors and consultants.

1. Section's logo, brochures, banners and pamphlets were designed and printed
2. Facebook, LinkedIn pages were created
3. Section web site is alive and available on line.  
[www.AACEI-Pakistan.pk](http://www.AACEI-Pakistan.pk)
4. News Letter was prepared and published
5. The success criteria were prepared based on the items as listed in the HQ CRITERIA and submitted back to HQ
6. Efforts were made to register the AACE Pakistan Section. Two lawyers were contacted and documents as required were given and tasked to proceed with the registration at a cost of 120k. Due to government restrictions it did not materialize as yet.
7. A training session was attended to self-upload the information about the Section on the international AACE website.
8. A webinar on COST ESTIMATING was conducted on 9th July 2020
